TECHNICAL SKILLS

Programming Languages & Frameworks: HTML/CSS, Bootstrap, Responsive Design, JavaScript, JQuery, node.js, Express

Other Technologies: npm, MongoDB, PostgreSQL, Git, GitHub

Learning: React, webpack

PROJECTS

City Hauling – cityhauling.co May. 2017 - Present

- Work within a team of 3 to create a website to manage a carting and hauling company in NYC.
- Develop a mobile first front end using modern web design principles and frameworks like Bootstrap.
- Integrate a server using node.js and express to set up all routing and connect to, and manage, a PostgreSQL database using sequelize as a ORM.
- Use passport.js for authentication purposes to give access to an admin dashboard for client to manage all the jobs, and questions submitted by the clients user base.

Developer Portfolio – otarikobiashvili.com | github.com/OtariKobiashvili/portfolio Jul. 2017 - Aug. 2017

- Developed an interactive web application to display all projects on a single page.
- Mobile friendly design, with responsive elements, and an easy to traverse user interface.

YelpCamp – yelpcamp-otari.herokuapp.com | github.com/OtariKobiashvili/yelp_camp Jul. 2017 - Aug. 2017

- Full Stack, RESTful web application built using node.js and express to create multiple routes that render ejs templates, and also manage and retrieve data from a MongoDB database hosted by mlab.com.
- Allow users to sign up, manage their profile page, rate campgrounds, add new campgrounds, and add comments, while logged in to the site.

EXPERIENCE

Nissan/Infiniti of Manhattan, Manhattan Automobile Company, Hillside Honda **New York, NY**
Sales Consultant Oct. 2012 – Nov. 2016

- Worked alongside large teams of colleagues, as well as a sales manager, and finance manager, to assist clients in making informed purchasing decisions for various brands, and types of vehicles.
- Responsible for greeting all walk in clients, guiding them through a sales process, including a walk around and test drive, logging their personal information in a CRM, discussing sales figures, handling any applicable sales objections, and following up on a consistent basis.
- Work closely with a sales manager, and/or general sales manager, to assist with daily consultant management duties when needed.
- Assist as a turn over closer, if a lesser experienced sales person is unable to work with, or close a potential client.

EDUCATION & TRAINING

Free Code Camp **Flushing, NY**
Front End Developer Certificate Jan. 2017 - May 2017
Queens College, CUNY **Flushing, NY**
Dietetics and Nutrition Sep. 2010 - Sep. 2012
